Dear Participant,

We are pleased to inform you that, following a thorough review of all submissions, your registration has been successfully approved for the **Summer School of AI & Cybersecurity** initiative.

We are delighted to welcome you to the program.

WhatsApp Channel – Digital Forensics Track

Please join the official WhatsApp channel using the link below. Joining this channel is essential, as it will serve as our primary communication platform throughout the event:

<https://whatsapp.com/channel/0029VbCrDTr60eBX8mrg3g0i>

All important updates will be shared there, including daily agendas, presentation materials, online meeting links, announcements, pre-event preparation instructions (software installation requirements), campus location details, and other essential information.

Event Overview

The Summer School will take place over four days, from **18 May to 21 May**.

Monday – Wednesday (18–20 May)

3:00 PM – 7:00 PM

Thursday – Final Day (21 May)

8:00 AM – 3:00 PM

The final day will include a closing ceremony and keynote session featuring representatives from Google.org, PUAC, KSEAU, CSI, NAMLCFTC, and other leading organizations.

Additionally, a **Digital Forensics Case Competition** will be held. Based on participants' performance throughout the program, 20 participants will be selected to compete in this two-hour challenge.

Attendance on the final day is mandatory in person for the selected competitors. For all other participants, attendance is optional but highly encouraged, as the ceremony will include **significant networking opportunities and media coverage**.

Certificate Requirements

To receive a certificate of completion, participants must:

- Attend all three instructional days, either in person or virtually
- Complete a short quiz at the end of each session

Event Materials

The event poster is attached to this email. The detailed agenda will be shared in the WhatsApp channel one day prior to the event.

Important Guidelines for In-Person Attendance

Participants attending in person must bring:

- Emirates ID or another valid form of identification
- This confirmation email (digital or printed)
- A personal laptop (Windows or macOS supported; Windows is recommended)
- Minimum recommended specifications: Core i5 processor and at least 4 GB RAM
- Laptop charger

Parking Instructions

If you plan to attend using a personal vehicle, please park on the **second or third parking floors**. After parking, use the elevator to go down to the **first floor**, then enter the building to access the campus.

The exact parking location, along with reference images, will be shared on the WhatsApp channel.

We sincerely look forward to your participation and to providing an engaging and rewarding learning experience in AI and Cybersecurity.

Best regards,

Summer School of AI & Cybersecurity Organizers Team
